Draft decisions of meeting ZEP AC#17 on 27 October Brussels

ZEP : Draft decision AC#17 27 Oct 2008

- D17.1 The AC adopts the technology matrix as presented by Philippe Paelinck at the meeting.
- D17.2 The AC approves of the proposed procedure to finalise the presentation and the report on the flagship programme, to be presented at the General Assembly
- D17.3 The AC agrees to the final letter with the criteria, to be sent to the French presidency on 28 October 2008
- A17.1 The AC agrees that the taskforce Policy&Regulation will ask the AC members support for its position paper regarding the insurmountable barriers to the implementation of CCS as proposed by the European parliament.
- A17.2 The AC also agrees that the taskforce policy&Regulation will develop a paper outlining the key issues to the 500 grams/KwH issue and submit this to the AC before the next AC meeting
